Letter dated 9 May 2023 from the Secretary-General addressed to the President of the Security Council

I have the honour to refer to the United Nations Multidimensional Integrated Stabilization Mission in the Central African Republic (MINUSCA), which was established by the Security Council in its resolution [2149 \(2014\)](#). Its mandate was most recently extended, until 15 November 2023, by the Council in its resolution [2659 \(2022\)](#).

Following the usual consultations, I should like to inform you of my intention to appoint Major General Humphrey Nyone (Zambia) as Force Commander of MINUSCA. He will succeed Lieutenant General Daniel Sidiki Traoré (Burkina Faso), who completed his assignment in January 2023. I should like to take this opportunity to thank Lieutenant General Traoré for his dedication and effective leadership of MINUSCA.

I should be grateful if you would bring this matter to the attention of the members of the Security Council.

(Signed) António **Guterres**
